

Writing Secrets and Writing Toolkits

In order to help the children develop their skills as writers, we are always looking for new ways to support them.

We are currently part of a Primary Writing Project, led by the successful educational writer and poet Pie Corbett. In light of this, we have tweaked our traditional success criteria, renaming them as “writing secrets” in FS and KS1, and “writing toolkits” in KS2.

Please note:

With reference to “writing secrets” we are not, of course, asking the children to write about or keep secrets; rather, as teachers, we are sharing our secrets for successful writing with them!
