- Financial assistance for extra-curricular clubs, e.g. instrumental lessons
- Financial assistance for Treetops before and after school care

Impact of PPG spending

The school holds pupil progress reviews every half-term to assess pupils' attainment and their progress towards targets. We also evaluate the impact of interventions, including those aimed at raising confidence and self-esteem. We then plan interventions using our own evaluations and also take account of research on effective interventions for example the Education Endowment Foundation's Teaching and Learning Toolkit.

At the end of the 2019/20 academic year:

Due to Covid-19 there were no formal assessments this year.

Based on teacher assessment in March 2020:

Reading: 100% of pupils in receipt of PPG reached the expected standard or above of which 50% were working at greater depth.

Writing: 50% of pupils in receipt of PPG reached the expected standard or above, 50% were working below the expected standard.

Grammar: 50% of pupils in receipt of PPG reached the expected standard or above, 50% were working below the expected standard.

Maths: 100% of pupils in receipt of PPG reached the expected standard or above of which 50% were working at greater depth.

Science: 100% of pupils in receipt of PPG reached the expected standard or above
(NB 100% = 2 pupils)

100% of pupils participated in the school residential visits to March 2020.

Qualitative data confirms that pupils supported through counselling and therapy have shown an improvement in their emotional well-being which has had a positive impact on their learning.
